EMPOWERING EVERY JOURNEY

Suleman Dawood School of Business

SULEMAN DAWOOD SCHOOL OF BUSINESS

Developing Ideas and People to Shape Business and Society

Founded in 1985 as a not-for-profit, LUMS believes in making quality education accessible while breaking academic, geographic, and socio-economic barriers to broaden students' academic exposure.

Suleman Dawood School of Business (SDSB) at LUMS is Pakistan's first business school to achieve AACSB International accreditation, placing it among the top 6% of business schools worldwide. As a pioneer in case-based teaching in the region, SDSB develops leaders equipped with the skills and competencies to impact society and excel in today's dynamic business environment.

WHY EMBA AT LUMS?

- Placed at 14 in Asia-Pacific by QS Global Rankings 2025
- Most EMBA participants advance their careers during or soon after the programme
- Includes a visit to Silicon Valley, USA, as part of the Globalisation and Cross-Cultural Module
- Placed among the top 120 institutions in QS Global EMBA Rankings 2025
- Offers lifetime access to the EMBA alumni network of CEOs, entrepreneurs, and policymakers

ADVANTAGES FOR ORGANISATIONS

- Invest in employee development to increase effectiveness of key managers and improve your organisation's productivity, performance, and profitability
- Retain and motivate high achievers in your organisation
- Develop a pool of skilled leaders equipped with global insights and the capabilities to drive business expansion and tackle international challenges

PROGRAMME DESIGN

The 22-month Executive MBA (EMBA) includes four week-long sessions—two in the first year, one summer Globalisation Module, and a final project presentation. The programme features 36 instructional weekends, distance learning modules from Harvard Business School, and regular sessions on alternate weekends.

The programme is divided into the following modules:

- Business Fundamentals (Module I)
- Managing Operations and People (Module II)
- Cost, Value, and Innovation Management (Module III)
- Law and Entrepreneurship (Module IV)
- Managing the Future (Module V)

SUMMER ORIENTATION PROGRAMME (SOP)

The ungraded SOP is a prerequisite for the EMBA, offering essential subject knowledge to prepare participants for coursework and case-based learning. It covers foundational modules to support success in regular EMBA classes.

- Business Mathematics
- Introduction to Financial Accounting
- Personal Effectiveness
- Introduction to Participant-Centered Learning

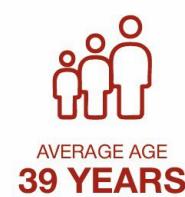

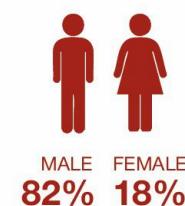

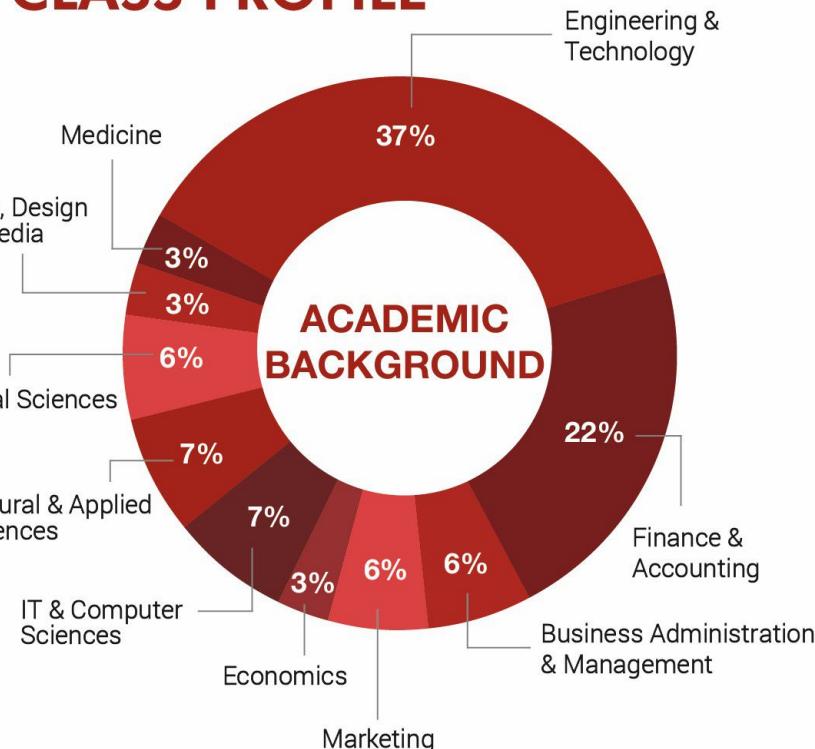

EMBA PROJECT

The EMBA project is a consultancy-style assignment where students apply classroom learning to solve real organisational challenges. It demands problem-solving, teamwork, and strategic decision-making under pressure.

GLOBALISATION MODULE

EMBA participants gain direct exposure to global business practices, competitive markets, and complex environments.

 I chose the EMBA programme to strengthen my expertise in management and strategic leadership. As a CFO, I recognise the need for a broader vision beyond finance to drive organisational growth. This programme's focus on leadership, decision-making, and innovation aligns with my goal of becoming a more effective senior executive. The EMBA gave me an opportunity to learn from a diverse cohort of professionals and helped me build a strong network that enhanced my perspective.
